Colombo 09, Sri Lanka

1. LETTER OF INVITATION

The Chairman, Cabinet Appointed Negotiation Committee (CANC), on behalf of the Ceylon Petroleum Corporation (CPC), invites Expressions of Interest (EOI) from reputed and experienced Financiers/Investors to submit an Expression of Interest for the "Development and Expansion of the Sapugaskanda Oil Refining Complex for the Ceylon Petroleum Corporation, Sri Lanka".

This Project aims to significantly enhance Sri Lanka's domestic petroleum refining capacity at Sapugaskanda, Sri Lanka to a capacity of around 100,000 barrels per day (bpd).

The prospective financer/investor is expected to design, finance, and build the proposed refinery development project while commissioning, operation and maintenance are to be done jointly by the financer/investor and CPC through a joint venture agreement. Throughout the agreement period, CPC will hold an ownership share by providing the existing refinery infrastructure and land required for the project. After the agreement period, the total asset will be transferred to CPC.

This Development and Expansion Project represents a strategic opportunity to establish a long-term partnership within Sri Lanka's energy sector. It will help strengthen the country's energy security, reduce dependence on imported refined petroleum products, and enhance overall economic resilience.

Your organization's proven expertise in refinery development, infrastructure investment, and energy sector operations positions you as a potential key partner in this significant national initiative.

We look forward to receiving your Expression of Interest and exploring this potential collaboration.

Warm regards,

Chairman,

Cabinet Appointed Negotiation Committee (CANC),

C/O Manager (Procurement & Stores),

Ceylon Petroleum Corporation,

No. 609, Dr. Danister De Silva Mawatha,

Colombo 10.
